# More Facts About Children Age 18 or Younger

This section is only for children applying for TANF.

### **Time Saving Tip**

You only need to give facts for each father and mother one time.

If a child has the same mother or father as another child, you can write something like "same as 1st child" where the parent's name would go.

Are you afraid that giving facts about the child's other parent might put you or your children in danger?

You might not have to help or cooperate with the Office of Attorney General to collect child or medical support if you are afraid. You can ask not to give these facts by:

- Telling your benefits advisor (or designated representative) reasons why this might put you or your children in danger.
- Signing the Good Cause request form. (Your benefits advisor has this form.)

#### Citizenship and Immigration Status

You can get benefits for your children who are U.S. citizens or legal immigrants even if you are not a U.S. citizen or a legal immigrant. You do not have to give your citizenship or immigration status to get benefits for your children. You only have to give the citizenship or immigration status of people who want benefits. If you are not a U.S. citizen or a legal immigrant, the only benefits you might be able to get are emergency Medicaid services. Getting long-term care (Medicaid for the Elderly and People with Disabilities) or cash help (TANF) could affect your immigration status and your chances of getting a Permanent Resident Card (green card). Getting other benefits will not affect your immigration status and your chances of getting a Permanent Resident Card. You might want to talk to an agency that helps immigrants with legal questions before you apply. If you are a refugee or have been given asylum, getting benefits will not affect your chances of getting a Permanent Resident Card or becoming a citizen.

#### **Social Security Numbers**

You only need to give the Social Security numbers (SSNs) for people who want benefits. Giving or applying for an SSN is voluntary; however, anyone who doesn't apply for an SSN or doesn't give an SSN can't get benefits. If you don't have an SSN, we can help you apply for one if you are a U.S. citizen or a legal immigrant. You must be a U.S. citizen or a legal immigrant to get an SSN. You can get benefits for your children if they have an SSN and you don't. We will not give SSNs to the Bureau of Immigration and Customs Enforcement. We will use SSNs to check the amount of money you get (income), if you can get benefits, and the amount of benefits you can get. (7 C.F.R 273.6 for food benefits; 45 C.F.R 205.52 for TANF; and 42 C.F.R 435.910 for health care.)

# All Benefit Programs Facts HHSC Has About Me

HHSC uses facts about people applying for benefits to decide: (1) who can get benefits, and (2) the amount of benefits. HHSC checks facts with the federal Income and Eligibility Verification System. If any facts don't match, HHSC will check other sources (banks, employers, etc.). If anyone applying for benefits has an immigration registration number, HHSC must check with the U.S. Citizenship and Immigration Services' (USCIS) system. HHSC will not give anyone's facts to USCIS.

#### **Keeping My Facts Private**

HHSC will keep my facts private if they were collected:

- · By HHSC staff or contracted provider staff.
- To find out if I can get state benefits.

HHSC can share facts about me:

- When needed for me to get state health-care benefits.
- With phone and utility companies. They will find out if my bill amount can be lowered. HHSC will give them my name, address, and phone number.

# **TANF Cash Help for Families Child Support or Alimony**

I agree to:

 Let the state keep any child support or alimony money owed to anyone during the time they get TANF.

- Let the state keep this money after TANF benefits end, if the TANF amount anyone got still needs to be paid off.
- Tell HHSC about money anyone gets.
- Work with HHSC to get this money; if I don't, I am breaking the law.

The state will keep only the amount allowed by law.

#### If I Give False Information

If I choose not to tell the truth, I might:

- Be charged with and punished for a crime. (This could include going to prison for up to 10 years or community supervision.)
- Have to repay benefits.
- Never get TANF again.

#### **SNAP Food Benefits**

#### **Telling the Truth**

Anyone who applies for or gets SNAP must:

- Tell the truth.
- Never trade or sell SNAP benefits, Lone Star Cards, or other devices that allow people to get SNAP.

# Anyone who chooses not to tell the truth might:

- Not get SNAP for a year or more.
- Be fined up to \$250,000, jailed up to 20 years, or both.
- · Lose income tax refunds.
- · Be charged with other crimes.
- · Have to repay benefits.
- · Never get SNAP again.

If a court of law finds you guilty of using or receiving benefits in a transaction involving the sale of a controlled substance, you will be not be eligible for benefits for two years for the first offense, and permanently for the second offense.

If a court of law finds you guilty of having used or received benefits in a transaction involving the sale of firearms, ammunition or explosives, you will be permanently ineligible to participate in the program upon the first occasion of such violation.

If a court of law finds you guilty of having trafficked benefits for an aggregate amount of \$500 or more, you will be permanently ineligible to participate in the Program upon the first occasion of such violation.

An individual found to have made a fraudulent statement or representation with respect to the identity or place of residence of the individual in order to receive multiple SNAP benefits simultaneously shall be ineligible to participate in the program for a period of 10 years.

The same is true if anyone lets someone else use their Lone Star Card.

#### **Facts Anyone Tells or Gives HHSC**

HHSC uses the facts anyone tells or gives HHSC, including Social Security numbers to:

- · Check if that person can get benefits.
- Check that person's facts with computer matching programs and credit reporting agencies.
- Make sure that person is following benefit program rules.
- Help other agencies check if that person can get other benefits.
- Recover benefits that person wasn't supposed to get.
- Share facts about that person: (1) with other state and federal agencies (for example, the Texas Workforce Commission, the Social Security Administration, and the Internal Revenue Service); (2) with law enforcement officials so they can find people on that person's benefits case (the household) who are wanted for fleeing the law; and (3) with federal, state, and private claims collecting agencies for food benefit overpayment claims collection action.

#### Medicaid

#### If I Give False Information

If I choose not to tell the truth, I might:

- · Be charged with a crime.
- · Have to repay benefits.

The same is true if I let someone else use my medical card or Medicaid ID.

#### **Giving Out Facts About Me**

I agree to let Medicaid health care providers (doctors, drug stores, hospitals, etc.) give out any facts about me to HHSC. This will allow the providers to be paid by Medicaid.

#### **Medical and Child Support Payments**

Depending on my benefits case, the Attorney General (the state) might check that I am getting the right amount of child or medical support payments

and coverage.

- If only my child gets Medicaid, I can decide if I want the state to help get any payments and coverage we should get, but don't get right now.
- If my child and I both get Medicaid, I must:
  - Help the state get any payments and coverage we should get, but don't right now.

If I don't help the state, my child can get Medicaid, but I might not.

- Identify who the child's other parent is.
- Allow the state to keep any medical support payments.
- I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell HHSC and I may not have to cooperate.

If I get Medicaid, HHSC will keep medical service payments I can get from other sources, such as:

- · My health insurance.
- · Money I got because of injuries.
- Money collected for me or my children by the Office of Attorney General.

I must tell HHSC about these sources. If I don't, I am breaking the law.

HHSC will only keep the amount of medical support and service payments allowed by law. I will work with HHSC to get these funds.

#### By signing below, I agree:

- To let HHSC and other state, federal, and local agencies check, share, and get facts about anyone on my benefits case (the household).
- To let other people, businesses, and organizations share facts they have about anyone on my benefits case (the household) with HHSC.

• The facts to be checked and shared include anything that helps decide: (1) who can get benefits, and (2) the amount of benefits.
